## CONTACTLESS ORDERING

Please select one member of your group to be the leader! Your leader is in charge of collecting the whole order and completing one of our single-use order forms. Simply record the total quantity of the dishes you desire in the respective boxes.

When completed, just leave this on the table and your server will collect without contact.

Please inform your server of any extras and allergies as usual. Any questions, just let us know and we're happy to help!
